

ỌDÚN DEDICATED TO THE ÒRÌŞÀ IFÁ-ÒRÚNMILÁ

Saturday, 22 June 2024 at 11 a.m.

in the Ẹgbé Òrìşà temple, Bizeljjska vas 20a, 8259 Bizeljsko, Slovenia.

On this day, the worshippers of Ifá are going to **collectively** complete the old cycle and enter into a new one. At this joyful event, we celebrate the Òrìşà Ifá-Òrúnmilà and Èşù/Ifá. If we want to lead our life in sync with our destiny, we can be helped and guided by the Àşẹ of these two deities that work in tandem and complement each other.

The Òrìşà Èşù and Ifá-Òrúnmilà always go hand in hand because the destiny of every human being can best realise itself only if a person embodies the virtues of Èşù - order, organisation, discipline, patience, and communication. We invite you to join us at this joyous celebration and introduce all of these virtues and Àşẹ into your lives.

It is a great honour for us all that the ọdún ritual will be performed by the spiritual father of our Community, the high priest Bàbá King. *Ìyá* Jasmina Awódìran Gbénga will serve as the representative of the entire Community.

Following the ọdún ritual, traditional offerings dedicated to the Òrìşà Ẹgbé are going to be performed for the benefit of all the countries we are connected to through the worship of Òrìşà. Our Community and the Ẹgbé Òrìşà temple have the great spiritual prestige as we enable the proliferation of the Àşẹ of Òrìşà in its traditional form throughout Europe, just as *bàbáláwo* Bàbá Fábùnmi predicted back in 2003. We have been performing large-scale offerings to the Òrìşà Ẹgbé for many years, and they are a truly magnificent aspect of the event that unites the Orí of millions of people - the number of countries multiplied by the number of inhabitants - and joins humanity into a unique spiritual brotherhood that extends beyond the usual social divisions.

Without the manifestation of the Àşẹ of the Òrìşà Ẹgbé through numerous *aşọ* of this Òrìşà, it would be impossible to perform this offering in a responsible manner because this is a truly exceptional energetic and spiritual act.

During the dance of the Òrìşà, the Àşẹ of the Òrìşà Èşù, Ẹgbé, and Egúngún will be manifested through the *aşọ* of these Òrìşà as well.

The donation for the event is €60. Children of up to 12 years of age are our guests. With regards to families, one family member pays the full price while others registered at the same address pay €5 each.

Please attend the event in the Community's new, unified clothing. For more information, write us at info@orisa.si. You can also attend the event and the rituals in white clothes, without any visible markings.

Click the date of the *ọdún* dedicated to the Òrìṣà Ifá-Òrúnmilà in the Google Calendar at <https://orisa.si/en/events-2024/>, where a link to the application is going to appear. Please indicate on the application form if you wish to receive an individual Àṣẹ at the event as well.

Welcome!

The Spiritual Community of the Òrìṣà - Energies of Nature would like to thank:

- » the spiritual parents in *àjẹ* and *ọrun* for all the Àṣẹ, knowledge, and trust they use to generously guide us on our path;
- » the Ire group for representing both the rhythm and communication at our events since 2007. Drumming and singing do not only create music and rhythm; first and foremost, they are the symbol of communication between humans and deities as well as among humans themselves (the symbolism of *ẹgbé ayé*). In addition, the Ire group traditionally organises the *ọdún* dedicated to the Òrìṣà of life and carries out projects that provide financing for temple altars, *aṣọ*, and many other things;
- » the *ẹlẹgùn* priests and priestesses who undergo a profound process of initiation and education to serve the society and facilitate the manifestation of the Àṣẹ of the Òrìṣà through the *aṣọ* of the Òrìṣà as well as all the *atókùn*, the priests who accompany them and establish communication;
- » the priests and priestesses who perform rituals at social and spiritual events with the help of assistants. They are all specialised to work with individual Òrìṣà. The unwavering commitment of everyone involved enables our Community to continuously organise unforgettable events;
- » the providers of the *sàra* ritual and everyone else who contribute to this unforgettable event either by taking part or helping out.

Àṣẹ!

Everyone's spiritual intimacy at the event is of utmost importance; therefore, any type of individual audio/video recording or photographing of the event is forbidden. Please respect that. An authorised representative of the Community will document only the ritual and the manifestation of the Àṣẹ of the Òrìṣà through the *aṣọ* of the Òrìṣà but none of the participants.
