Sunday, 23 June 2024 at 11 a.m.

in the Ẹgbé Òrìşà temple, Bizeljska vas 20a, 8259 Bizeljsko, Slovenia.

---

We are going to **collectively** worship the magnificent energy of the Mothers of the Universe, the energy that sustains the existence of every single individual and facilitates the collective survival of humanity and the planet.

It is our distinct honour to have Bàbá King, the high priest of ìyá-mí, ìyá-mí olúwo, as a speaker to address the congregation. The address will be followed by a ceremonial procession.

The donation for the event is €60. Children of up to 12 years of age are our guests. With regards to families, one family member pays the full price while others registered at the same address pay €5 each.

Please attend the event in unified white clothing with black print. For more information, write us at [info@orisa.si](mailto:info@orisa.si). You can also attend the event and the rituals in white clothes, without any visible markings.

Click the date of the ọdún dedicated to the Òrìşà ìyámi Òşòròngà in the Google Calendar at <https://orisa.si/en/events-2024/>, where a link to the application is going to appear. Please indicate on the application form if you wish to receive an individual Àşẹ at the event as well.

Welcome!

The Spiritual Community of the Òrìşà - Energies of Nature would like to thank:

- » the spiritual parents in àjẹ and ọrun for all the Àşẹ, knowledge, and trust they use to generously guide us on our path;
- » the Ire group for representing both the rhythm and communication at our events since 2007. Drumming and singing do not only create music and rhythm; first and foremost, they are the symbol of communication between humans and deities as well as among humans themselves (the symbolism of ẹgbé ayé). In addition, the Ire group traditionally organises the ọdún dedicated to the Òrìşà of life and carries out projects that provide financing for temple altars, aşọ, and many other things;

- » the *ẹlẹgùn* priests and priestesses who undergo a profound process of initiation and education to serve the society and facilitate the manifestation of the *Àṣẹ* of the *Òrìṣà* through the *aṣọ* of the *Òrìṣà* as well as all the *atókùn*, the priests who accompany them and establish communication;
- » the priests and priestesses who perform rituals at social and spiritual events with the help of assistants. They are all specialised to work with individual *Òrìṣà*. The unwavering commitment of everyone involved enables our Community to continuously organise unforgettable events;
- » the providers of the *sàra* ritual and everyone else who contribute to this unforgettable event either by taking part or helping out.

### *Àṣẹ!*

Everyone's spiritual intimacy at the event is of utmost importance; therefore, any type of individual audio/video recording or photographing of the event is forbidden. Please respect that. An authorised representative of the Community will document only the ritual and the manifestation of the *Àṣẹ* of the *Òrìṣà* through the *aṣọ* of the *Òrìṣà* but none of the participants.
