

ÒDÚN DEDICATED TO THE ÒRÌṢÀ OF WISHES

Saturday, 19 October 2024 at 5 p.m.
in the Jarše-Rodica cultural centre, Groblje 1 near Domžale, Slovenia.

We are going to **collectively** worship the Òrìṣà who bless our lives with wisdom that helps us become more keenly aware of our soul's desires and aids us in adapting to the surroundings, the times, and the energy we are willing to expend so that we can truly act harmoniously and wisely and achieve the best results.

We are going to perform offerings to the Òrìṣà Àjàgùnmalẹ̀, Ṣaṣara, Wókà Wókà, Alásẹ̀, Àbámódá, Àjàkà, Oge, Ọ̀pálùwọ̀nwọ̀n, Ẹ̀kùn, and Ọ̀nì imalẹ̀ odò with the aim of becoming more agile and dynamic and ensuring our soul will be more in sync with our body, which will then be able to swiftly respond to challenges. These Òrìṣà also bless us with the ability to use our instincts wisely in times when an emotional overreaction could take us further away from realising our projects. They alleviate our stubbornness while bolstering perseverance. Furthermore, they harmonise our character and enable us to feel better inside our bodies and more accepted in our *ẹ̀gbé ayé*, i.e. in the visible world.

Put all your energy into the supplication so that your body will be able to conceive, internalise and get accustomed to the greatness of your soul and embrace all the dynamism and diversity of your own abilities. During the dance, the Àṣẹ̀ of the Òrìṣà Àjàgùnmalẹ̀, Ṣaṣara, and Ẹ̀kùn will be manifested through the *aṣọ* of these Òrìṣà as well.

The donation that makes the organisation of the event possible is a banknote of any denomination for each set of offerings. This time around, three sets of offerings are going to be performed.

The individual ritual will be aimed at ensuring the stability of Orí so that you will be able to actively preserve all the Àṣẹ̀ acquired over the course of previous months for as long as possible. Àṣẹ̀ will come in the form of a marking on the Orí.

The ritual will be performed by priests who specialise in sacred spiritual markings.

The donation for the individual ritual is €15.

Please attend the event in the Community's new, unified clothing. For more information, write us at info@orisa.si. You can also attend the event and the rituals in white clothes, without any visible markings.

Click the date of the *ọdún* dedicated to the Òrìṣà of wishes in the Google Calendar at <https://orisa.si/en/events-2024/>, where a link to the application is going to appear. Please indicate on the application form if you wish to receive an individual Àṣẹ at the event as well.

Welcome!

The Spiritual Community of the Òrìṣà - Energies of Nature would like to thank:

- » the spiritual parents in *àjẹ* and *ọrun* for all the Àṣẹ, knowledge, and trust they use to generously guide us on our path;
- » the Ire group for representing both the rhythm and communication at our events since 2007. Drumming and singing do not only create music and rhythm; first and foremost, they are the symbol of communication between humans and deities as well as among humans themselves (the symbolism of *ẹgbé ayé*). In addition, the Ire group traditionally organises the *ọdún* dedicated to the Òrìṣà of life and carries out projects that provide financing for temple altars, *aṣọ*, and many other things;
- » the *ẹlégùn* priests and priestesses who undergo a profound process of initiation and education to serve the society and facilitate the manifestation of the Àṣẹ of the Òrìṣà through the *aṣọ* of the Òrìṣà as well as all the *atókùn*, the priests who accompany them and establish communication;
- » the priests and priestesses who perform rituals at social and spiritual events with the help of assistants. They are all specialised to work with individual Òrìṣà. The unwavering commitment of everyone involved enables our Community to continuously organise unforgettable events;
- » the providers of the *sàra* ritual and everyone else who contribute to this unforgettable event either by taking part or helping out.

Àṣẹ!

Everyone's spiritual intimacy at the event is of utmost importance; therefore, any type of individual audio/video recording or photographing of the event is forbidden. Please respect that. An authorised representative of the Community will document only the ritual and the manifestation of the Àṣẹ of the Òrìṣà through the *aṣọ* of the Òrìṣà but none of the participants.
